We, the class of 1984, proudly dedicate this year's Panther to Mr. and Mrs. Gustin. We greatly appreciate the time and effort that they have put forth for us in class as well as on the court. They are respected by many and equalled by few in kindness and humor.

Thank you, Mr. and Mrs. Gustin, for being our warm and wonderful teachers of today and our everlasting friends of tomorrow.

C Team Record
5-0-1

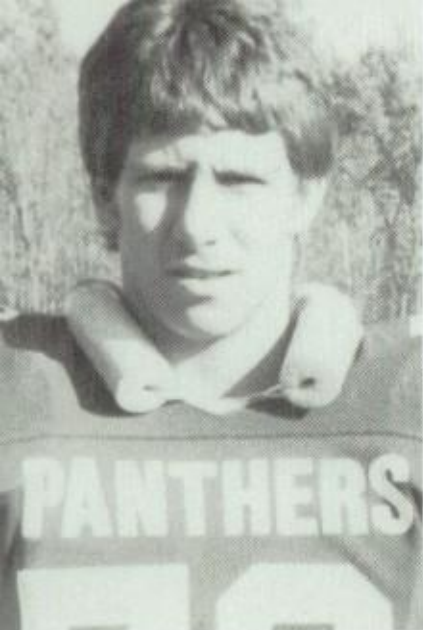

The 1983 Panther football squad ended the season with a 5 and 4 record, but does that tell the true story? Does it speak of the hours and hours of practice in the sweltering heat, or the times it took every ounce of one's will to stand up and go crashing back into combat as the clock robbed the team of precious seconds needed for a victory? No, no more than it speaks of the unknown element in each player that drives him past his physical limits as the team strives for victory.

The Seniors from the 1983 Panthers have left more than the memories of the "Bang Yer Head" era behind. Yes, It was not only history that is left, but something much more important. They leave the key ingredients needed for success-DE-SIRE.

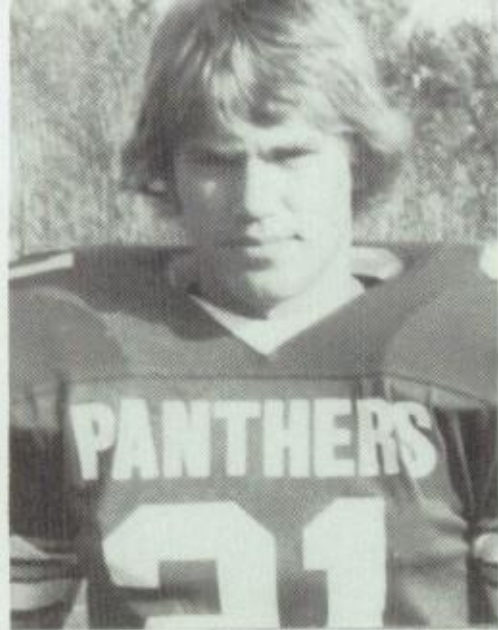

1983 was a good year for the Panthers, but it was only the beginning of something new.

The 1984 football squad will indeed have the desire and determination to make it the *YEAR OF THE PANTHERS!*

VOLLEYBALL

The volleyball team had an excellent year, with 11 wins and only 5 losses. Co-captains, Shannon and Sherry, along with seniors Laura and Sonja led the Lady Panthers to many victories with their game winning style and determination.

The high point of the season came when the team beat Rush City on the first night of tournament play, but as fate would have it, the team lost to Moose Lake in the semi-finals.

The A teams coach, Mrs. Gustin, and the Lady Panthers deserve a round of applause for a great year of fun and sportsmanship.

The A.F.S. started the year off with the election of officers and from there started a year of special events and button making as a new way to raise funds. They planned out the calendar with several parties and worked their way to the big A.F.S. weekend. Ana Riera and Fred Jammy, the two foreign exchange students, also attended functions at other schools to promote the ideas of world peace. We have learned from them and hopefully they have learned from us as well, that no matter how different we seem, all people of the world are very much the same.

It was chilly day in middle May and we were getting ready for the Junior Prom. Decorating a school and Tobies, we all worked very hard. The beautiful colors our junior class picked were navy blue and silver. The theme was "DON'T LOOK BACK". Tobies did a fine job on the menu. We feasted on shrimp, roast beef, and chicken; and all sorts of fine foods. Dean and Karen were our MCs. Tom and Todd read our prophecy. Loni Moen sang for us, and Shari and Clarence read our wills. After the banquet we headed to the school for the dance and later to a movie which was really "off the wall." May 14, 1983 will be a day to remember and a great time was had by all.
